MARKET NICHE PENETRATION STRATEGIES WORK

MARKETS GLOBAL enables Auto Dealerships:

- Target consumers and businesses in market niches weekly, monthly or quarterly with focused branding and promotional offers,
- Use all or part of Markets Global's proprietary USA 300 mil consumer email database '**FREE**',
- Deploy email promotions to hundreds of thousands, even millions of consumers in your market niche. Augment or replace your existing advertising and marketing program.
- Brand your company name and products to hundreds of thousands, even millions of consumers and businesses. Pay only a nominal programming fee and 1% commission on completed sales. Save thousands of dollars every month for advertising costs.
- Collect qualified leads (.csv file) for 'opens' and 'clicks' to promotional offers (email, name, address, City, State, Zip, phone, URL's to client's website).
