MARKET NICHE PENETRATION STRATEGIES WORK

MARKETS GLOBAL enables Insurance Companies:

- Target businesses and consumers in your market niche weekly, monthly or quarterly with focused branding and promotional offers,
- Use Markets Global's 300 million consumer email database 'FREE' to reach local, State and National markets,
- Save thousands of dollars every month on advertising costs.
- Augment or replace current advertising and marketing programs.
- Collect customer leads in .csv files for 'opens' and 'clicks' to your promotional offers (email, name, address, City, State, Zip, phone, URL's to client's website),
